## **\$20 SPAY/NEUTER!**

GET YOUR DOG OR CAT SPAYED/NEUTERED  
AT THE ARIZONA HUMANE SOCIETY

Benefits of spaying/neutering your pet:

- Your pet will live a longer, healthier life.
- Your pet's chance of a cancer diagnosis will decrease, among many other major health benefits.
- Your neutered male won't roam the neighborhood and unwanted behaviors will be reduced, and your spayed female won't go into heat.
- It will save you money in the long run.
- You will save lives and make a difference in pet overpopulation!

You must book your appointment by February 28th at AHS' Margaret McAllister Brock or Marge Wright Veterinary Clinic. Call [602.997.7585](tel:602.997.7585) **Option 5** and mention this ad when scheduling your appointment.

Special promotion is courtesy of AHS' Circle of Friends, the Valley's most passionate spay/neuter advocates who have made possible the spay/neuter surgeries of tens of thousands of animals and have undoubtedly reduced pet overpopulation in our community.
