

What can we expect in Wild Wonders? (Ages 6-8 and 9-12)

In collaboration with the Phoenix Herpetological Sanctuary, youth learn about the importance of animal sanctuaries and participate in animal encounters with alligators, snakes, tortoises and more. In this hands-on program, campers see the dedication and time it takes to save precious lives by interacting and learning about wildlife first-hand.

PLEASE NOTE

*Wild Wonders is considered our most hands-on camp, and not only allows campers to get up close and personal with the **Animal Teachers** of the Arizona Humane Society, but also the rescued animal ambassadors at the **Phoenix Herpetological Sanctuary**.*
